

# Prof. Dr. Mazen Tamimi, PhD

Oral and Maxillofacial Surgeon

## Personal Data:

---

<b>Date of Birth:</b>	11-August-1966
<b>Place of Birth:</b>	Hebron, Palestine
<b>Nationality:</b>	American/Turkish/Jordanian
<b>Marital Status:</b>	Married/ 4 Children
<b>E-mail:</b>	<a href="mailto:drtamimi@drtamimi.com">drtamimi@drtamimi.com</a>

## Present Post

---

- Member of the Scientific Advisory Board of the IMC/University of Duisburg-Essen (GERMANY)
- Visiting Professor at Cairo University (Egypt)
- President of IBOI (International Board of Oral Implantology)
- President of Tamimi Academy
- Chairman of Gardens Dental Implant Center (GDIC)

## Qualifications:

---

- Graduate of the College of Dentistry / University of Jordan BDS - 1989.
- Oral and Maxillofacial Surgeon, MSc - 2001, PhD - 2005.
- Master of science in implantology and Dental Surgery-IMC Joint Degree/Germany 2014
- Master of Oral Medicine in Implantology/ Munster University- Germany 2011
- Specialist Implantology – DGZI 2003 “Germany “.
- Certification „ Tätigkeitsschwerpunkt Implantologie Konsensuskonferenz “. (Expert in Implantology) - 2001.
- Diplomate - German Board of Oral Implantology – 1998.
- Fellow and Diplomate of ICOI –(USA)-1998-2000
- Fellow and Diplomate of IBOI – (USA) - 2019

## Occupational activities:

---

- Visiting maxillofacial consultant at Al Wehda Medical Center-Qatar
- Maxillofacial consultant at Gardens Dental Implant Center (Amman-Jordan)
- Visiting maxillofacial consultant at Queens Hospital-Qatar
- Course instructor and speaker in many international conferences and workshops worldwide.
- Former international president of DGZI (2000-2019)
- Former head of the Executive Examination Committee of GBOI (2006-2019)
- Former Visiting Professor at University of Detroit Mercy (USA)

## National and international presentations [Total presentations (148)]

---

- 1997**
  - March 1997: first GDIC implantology course. Amman-Jordan  
step by step how to place implants –course instructor
  - August 1997: Second GDIC implantology course. Amman-Jordan  
Clinical applications of oral implantology –course instructor-
- 1998**
  - April 1998: 10th Jordan dental association annual congress. Amman-Jordan  
Dental implants practice in Jordan –speaker-
  - May 1998: 20th Egyptian dental association annual congress. Cairo-Egypt  
Dental implants to replace missing teeth –speaker-
- 1999**
  - January 1999: pitt-easy basic implantology course. Baghdad-Iraq  
2 days comprehensive implantology course –course instructor-
- 2000**
  - October 2000: 30<sup>th</sup> DGZI (German association of dental implantology) annual  
congress. Germany  
Internal sinus lifting techniques –speaker-
- 2001**
  - March 2001: DGZI (German association of dental implantology) spring  
meeting. Hurgada-Egypt  
External sinus lifting techniques –speaker-
- 2002**
  - October 2002: ICOI annual meeting. Las Vegas-USA  
Balloon assisted sinus lifting –speaker-
- 2003**
  - March 2003: Alexandria annual implantology meeting. Alexandria-Egypt  
Flap design in implantology –speaker-
  - October 2003: 33<sup>rd</sup> DGZI (German association of dental implantology) annual  
congress. Germany  
Indirect sinus lifting using the balloon –speaker-
- 2004**
  - April 2004: JDA annual congress. Amman-Jordan  
Medically compromised patients and implantology –speaker-
  - October 2004: 34<sup>th</sup> DGZI (German association of dental implantology) annual  
congress. Germany  
Organizational pre-requisites to place implants –speaker-
- 2005**
  - January 2005: Saudi dental society annual meeting. Riyadh-KSA  
Immediate loading in implantology –speaker-
  - April 2005: first Arab DGZI (German association of dental implantology)  
implantology meeting. Dubai-UAE  
Bone splitting techniques –speaker-
  - October 2005: 35<sup>th</sup> DGZI (German association of dental implantology) annual  
meeting. Germany

Surgical complications in implantology –speaker-

- November 2005: Kuwait annual meeting. Kuwait  
Alternatives to sinus lifting in severely atrophied maxilla –speaker-

## 2006

- January 2006: GBOI-1. Morocco-rabat  
Introduction in oral implantology, first module –course instructor-
- March 2006: 2<sup>nd</sup> Arab DGZI (German association of dental implantology) implantology meeting. Dubai-UAE  
Block grafts challenges –speaker-
- June 2006: GBOI-1 Jordan first module. Amman-Jordan  
Introduction into dental implantology –course instructor-
- October 2006: 36th DGZI (German association of dental implantology) annual meeting. Germany  
Vertigo and indirect sinus lifting –speaker-
- December 2006: Sudanese dental congress. Khartoum-Sudan  
Hygiene measurements in implantology –speaker-

## 2007

- March 2007: 3rd Arab DGZI (German association of dental implantology) implantology meeting. Dubai-UAE  
Implants Overdenture surgical considerations –speaker-
- June 2007: GBOI-1 Jordan final module. Amman-Jordan  
Advanced techniques in implantology –course instructor-
- June 2007: GBOI-2 Jordan first module. Amman-Jordan  
Introduction into dental implantology –course instructor-
- October 2007: 37th DGZI annual meeting. Germany  
Nerve transpositioning technique –speaker-
- December 2007: GBOI-1 Sudan first module. Sudan  
Introduction into dental implantology –course instructor-

## 2008

- April 2008: GBOI-1 Kuwait first module. Kuwait  
Introduction into dental implantology –course instructor-
- June 2008: GBOI-3 Jordan first module. Amman-Jordan  
Introduction into dental implantology –course instructor-
- June 2008: GBOI-2 Jordan final module.  
Advanced techniques in oral implantology –course instructor-
- November 2008: GBOI-1 Cairo university final module and examination. Cairo-Egypt  
Advanced techniques in implantology –course instructor and examiner-
- December 2008: GBOI-2 first module. Sudan-Khartoum  
Introduction into dental implantology –course instructor-
- December 2008: GBOI-1 final module and examination. Sudan-Khartoum  
Advanced techniques in oral implantology and examination –course instructor and examiner-

## 2009

- May 2009: GBOI-1 Kuwait final module. Kuwait

- Advanced techniques in implantology –course instructor-
- May 2009: GBOI-2 Kuwait first module. Kuwait
- Introduction into dental implantology –course instructor-
- June 2009: GBOI-3 Jordan final module. Amman-Jordan
- Advanced techniques in oral implantology –course instructor-
- June 2009: GBOI-4 Jordan first module. Amman-Jordan
- Introduction into dental implantology –course instructor-
- October 2009: 39th DGZI (German association of dental implantology) annual meeting. Germany
- Aesthetic complications in the premaxilla –speaker-
- November 2009: GBOI-2 Cairo. Cairo-Egypt
- Advanced techniques and examination in implantology –course instructor-
- December 2009: GBOI-2 final module and examination. Sudan-Khartoum
- Advanced techniques in oral implantology and examination –course instructor and examiner-

## 2010

- April 2010: GBOI-2 Kuwait final module. Kuwait
- Advanced techniques in implantology –course instructor-
- April 2010: GBOI-3 Kuwait first module. Kuwait
- Introduction into dental implantology –course instructor-
- May 2010: GBOI-1 first module Libya. Tripoli-Libya
- Introduction into dental implantology –course instructor-
- November 2010: GBOI-3 Cairo. Cairo-Egypt
- Advanced techniques and examination in implantology –course instructor-
- November 2010: GBOI Riyadh Dental College. Riyadh-KSA
- Advanced techniques in oral implantology and examination –course instructor-
- November 2010: GBOI-1 Iran first module. Tehran-Iran
- Introduction into dental implantology –course instructor-
- June 2010: GBOI-4 Jordan final module. Amman-Jordan
- Advanced techniques in oral implantology –course instructor-
- June 2010: GBOI-5 Jordan first module. Amman-Jordan
- Introduction into dental implantology –course instructor-

## 2011

- May 2011: GBOI-4 Kuwait first module. Kuwait
- Introduction into dental implantology –course instructor-
- May 2011: GBOI-3 Kuwait final module. Kuwait
- Advanced techniques in oral implantology –course instructor-
- June 2011: GBOI-5 Jordan final module. Amman-Jordan
- Advanced techniques in oral implantology –course instructor-
- June 2011: GBOI-6 Jordan first module. Amman-Jordan
- Introduction into dental implantology –course instructor-
- September 2011: Dresden anatomy cadaver course. Dresden-Germany
- Practical application of implants surgical techniques –course instructor-

- November 2011: GBOI-4 Cairo university final module and examination. Cairo-Egypt  
Advanced techniques and examination in implantology –course instructor and examiner-

## 2012

- February 2012: GBOI Iran final module. Tehran-Iran  
Advanced techniques in oral implantology and examination –course instructor and examiner
- April 2012: GBOI-4 Kuwait final module. Kuwait  
Advanced techniques in implantology –course instructor-
- April 2012: GBOI-5 Kuwait first module. Kuwait  
Introduction into dental implantology –course instructor-
- June 2012: GBOI-1 Croatia first module. Croatia  
Introduction into dental implantology –course instructor-
- June 2012: GBOI-6 Jordan final module. Amman-Jordan  
Advanced techniques in oral implantology –course instructor-
- June 2012: GBOI-7 Jordan first module. Amman-Jordan  
Introduction into dental implantology –course instructor-
- October 2012: IMC (International Medical College) master program. Munster-Germany  
Master thesis discussion and examination –examiner-
- November 2012: GBOI-5 Cairo university final module and examination. Cairo-Egypt  
Advanced techniques and examination in implantology –course instructor and examiner-
- December 2012: GBOI-3 first module. Sudan-Khartoum  
Introduction into dental implantology –course instructor-

## 2013

- March 2013: Academy of osteointegration (AO) annual meeting. Tampa-Florida-USA  
Clinical innovation session (stabilizer in sinus lifting) –speaker-
- June 2013: GBOI-7 Jordan final module. Amman-Jordan  
Advanced techniques in oral implantology –course instructor-
- June 2013: GBOI-8 Jordan first module. Amman-Jordan  
Introduction into dental implantology –course instructor-
- June 2013: Croatia final module. Croatia  
Advanced techniques in oral implantology and examination –course instructor and examiner-
- November 2013: Japanese implant congress. Tokyo-Japan  
Nerve transpositioning workshop –course instructor-
- November 2013: GBOI-6 Cairo university final module and examination. Cairo-Egypt  
Advanced techniques and examination in implantology –course instructor and examiner-
- December 2013: GBOI-3 final module and examination. Sudan-Khartoum

Advanced techniques in oral implantology and examination –course instructor and examiner-

- December 2013: Palestinian-Lebanese international dental congress. Beirut-Lebanon  
Immediate loading, opportunity or risk –speaker-

## **2014**

- April 2014: Georgian impla symposium. Tbilisi-Georgia  
Bone splitting workshop –course instructor-
- April 2014: GBOI-5 Kuwait final module. Kuwait  
Advanced techniques in implantology –course instructor-
- April 2014: GBOI-6 Kuwait first module. Kuwait  
Introduction into dental implantology –course instructor-
- June 2014: GBOI-8 Jordan final module. Amman-Jordan  
Advanced techniques in oral implantology –course instructor-
- June 2014: GBOI-9 Jordan first module. Amman-Jordan  
Introduction into dental implantology –course instructor-
- September 2014: Dresden university cadaver course. Dresden-Germany  
Practical application of surgical implantology procedures–course instructor-
- September 2014: GBOI-1 Qatar first module. Qatar-Doha  
Introduction into dental implantology –course instructor-
- October 2014: international impla congress by Shutz dental. Frankfurt-Germany  
Navigation in implant dentistry –speaker-
- December 2014: GBOI-2 Qatar first module. Qatar-Doha  
Introduction into dental implantology –course instructor-
- November 2014: GBOI-7 Cairo university final module and examination. Cairo-Egypt  
Advanced techniques and examination in implantology –course instructor and examiner-

## **2015**

- April 2015: GBOI-6 Kuwait final module. Kuwait  
Advanced techniques in implantology –course instructor-
- April 2015: GBOI-7 Kuwait first module. Kuwait  
Introduction into dental implantology –course instructor-
- June 2015: GBOI-9 Jordan final module and examination. Amman-Jordan  
Advanced implantology techniques–course instructor/ examiner-
- September 2015: GBOI-1&2 Qatar final module and examination. Qatar-Doha  
Advanced implantology techniques –course instructor/examiner-
- November 2015: GBOI-8 Cairo university final module and examination. Cairo-Egypt  
Advanced techniques and examination in implantology –course instructor and examiner-
- December 2015: GBOI-4 first module. Sudan-Khartoum

Introduction into dental implantology –course instructor-

- December 2015: Saudi German hospital implantology symposium. Riyadh-KSA  
Innovative procedures and techniques in implantology –course instructor-

## 2016

- March 2016: first international impla symposium. Berlin-Germany Navigation in implant dentistry –speaker-
- April 2016: GBOI-1/2/3 Riyadh first module. Riyadh-KSA  
Introduction into dental implantology –course instructor-
- May 2016 2nd palestinian-lebanese dental congress, Beirut-Lebanon  
Full mouth rehabilitation, case presentation-speaker
- May 2016 international Mexican dental congress, Mexico City-Mexico  
Bone splitting techniques-speaker-
- June 2016: Georgian-German congress (GLPD). Kachret-Georgia  
Organizational pre-requisites to place implants –speaker-
- June 2016: Dental Days exhibition. Kharkov-Ukraine  
Predictability of short implants –speaker-
- November 2016: GBOI-9 Cairo university final module and examination.  
Cairo-Egypt  
Advanced techniques and examination in implantology –course instructor and examiner-
- December 2016: GBOI-4 final module and examination. Sudan-Khartoum  
Advanced techniques in oral implantology and examination –course instructor and examiner-
- December 2016: GBOI-5 first module. Sudan-Khartoum  
Introduction into dental implantology –course instructor-
- December 2016: Saudi maxillo facial annual congress. King fahed medical City-Riyadh-KSA  
Nerve transpositioning technique –speaker-

## 2017

- January 2017: Hinterglem implantology and periodontology congress.  
Hinterglem-Austria  
Management of completely edentulous mandible –speaker-
- April 2017: GBOI-1/2/3 Riyadh final module and examination. Riyadh-KSA  
Advanced techniques in oral implantology and examination –course instructor and examiner-
- May 2017: 1st universa polis dental congress. Agadir-Morocco  
Management of completely edentulous maxilla –speaker and congress chairman-
- November 2017: GBOI-7 Kuwait final module. Kuwait  
Advanced techniques in implantology –course instructor-
- November 2017: GBOI-8 Kuwait first module. Kuwait  
Introduction into dental implantology –course instructor-
- November 2017: GBOI-10 Cairo university final module and examination.  
Cairo-Egypt

Advanced techniques and examination in implantology –course instructor and examiner-

- November 2017: Izdo exhibition. Izmir-Turkey  
Treatment of severely atrophied mandible –speaker-
- December 2017: implant Swiss symposium. Tbilisi-Georgia  
Modern surgical techniques in implantology –course instructor-

## **2018**

- April 2018: implant genesis nation-wide symposium. Chennai-India  
Oral implantology update –course instructor-
- April 2018: implant genesis nation-wide symposium. New Delhi-India  
Oral implantology update –course instructor-
- April 2018: implant genesis nation-wide symposium. Mumbai-India  
Oral implantology update –course instructor-
- April 2018: implant genesis nation-wide symposium. Cochin-India  
Oral implantology update –course instructor-
- April 2018: GBOI-5 final module. Sudan-Khartoum  
Advanced techniques in oral implantology and examination –course instructor and examiner-
- September 2018: 25th annual conference of Indian society of implantologist. Jaipur-India  
Micro-motion and macro-motion in implantology –speaker-
- September 2018: 25th annual conference of Indian society of implantologist. Jaipur-India  
Pre-congress workshop (nerve transpositioning technique) –course instructor-

## **2019**

- January 2019: Hinterglem implantology and periodontology congress. Hinterglem-Austria  
Bone splitting techniques –speaker-
- February 2019: Aeedc 2019. Dubai-UAE  
Inferior alveolar nerve transpositioning techniques –speaker-
- March 2019: 6th international Yudsac congress. Istanbul-Turkey  
Nerve transpositioning in the mandible –speaker-
- March 2019: first Jerash international dental congress. Jerash-Jordan  
Nerve transpositioning techniques –speaker
- April 2019: 3rd Luxor international dental congress. Luxor-Egypt  
Nerve transpositioning procedure in the mandible –speaker-
- April 2019: 3rd Luxor international dental congress. Luxor-Egypt  
Sinus lifting workshop –course instructor-
- April 2019: Alexandria dental syndicate congress (ADSC 2019). Alexandria-Egypt  
Aesthetic complications in the pre-maxilla –speaker-
- April 2019: Alexandria dental syndicate congress (ADSC 2019). Alexandria-Egypt  
Nerve transpositioning workshop –course instructor-

- April 2019: GBOI Alexandria final module and exam. Alexandria-Egypt  
Advanced techniques in oral implantology –course instructor-
- July 2019: St. Petersburg study club meeting. St. Petersburg-Russia  
modern surgical techniques in oral implantology –course instructor-
- October 2019: Al Danah Dental Center Workshop. Kuwait  
Modern Sinus Lifting Techniques –course instructor-
- October 2019: faculty of dentistry, Mansoura university. Mansoura-Egypt  
Modern Surgical Techniques in Implant Dentistry –course instructor-
- October 2019: third Mansours dental congress. Mansoura-Egypt  
Nerve Transpositioning Techniques lecture –speaker-
- November 2019: Al Wehdah medical center. Qatar-Doha  
Inferior Alveolar Nerve Transpositioning Technique –course instructor-
- November 2019: Cairo dental syndicate. Cairo-Egypt  
Modern Surgical Techniques in implant dentistry –course instructor-
- November 2019: Training Center. Chennai-India  
Bone splitting and sinus lifting techniques, inferior alveolar nerve  
Transpositioning, GBR –course instructor-
- November 2019: Training Center. Hyderabad-India  
Bone splitting and sinus lifting techniques, inferior alveolar nerve  
Transpositioning, GBR –course instructor-
- November 2019: Training Center. Lucknow-India  
Bone splitting and sinus lifting techniques, inferior alveolar nerve  
Transpositioning, GBR –course instructor-
- November 2019: Training Center. Ahmedabad-India  
Bone splitting and sinus lifting techniques, inferior alveolar nerve  
Transpositioning, GBR –course instructor-
- November 2019: Training Center. Mumbai-India  
Bone splitting and sinus lifting techniques, inferior alveolar nerve  
Transpositioning, GBR –course instructor-
- December 2019: Al Danah Dental Center. Kuwait  
Advanced surgical and prosthetic techniques in dental implantology in  
everyday practice–course instructor-
- December 2019: SM clinic. Moscow-Russia  
Advanced surgical techniques of dental implantology in everyday practice -  
course instructor-

## 2020

- February 2020: Aeedc 2020. Dubai-UAE  
Dental implantology marketing skills from A-->Z –course instructor-
- February 2020: Aeedc 2020. Dubai-UAE  
All around the sinus –speaker-
- April 2020: live webinar Nerve Transpositioning Techniques, IGOR
- April 2020: live webinar Nerve Transpositioning Techniques, Schuetz
- April 2020: live webinar Nerve Transpositioning Techniques, Acteon

- July 2020: live webinar sinus lifting stabilization techniques (Cairo Dental Syndicate)
- October 2020 Live hands on course, implantSwiss, (zoom) Turkey to Morocco
- October 2020: Bagcilar Medipol mega university Hospital, Speaker Nerve transpositioning technique, face to face.

## 2021

- January 2021: Live webinar backward planning, a prosthetic solution for every
- Implant rehabilitation case, (zoom) Turkey to India
- March 2021; Live webinar (Modern maxillary sinus lifting technique using Piezotome), Course Instructor.
- June 2021; Live webinar (Aggressor Implant a New Innovation for Immediate Loading), Course Instructor.
- June 2021; Live Congress (Challenges and Updates in Oral Implantology), President of the Congress
- August 2021: Nerve Transpositioning Technique – Seattle, Washington

## 2022

- February 2022: Live Webinar (All in 4 Technique) – Joint Tunisia
- February 2022: (Immediate Loading is Opportunity or risk) – Aeedc 2022, Dubai, UAE
- February 2022: (What is the Best Implant for All Types of Bone?) – Aeedc 2022, Dubai, UAE
- February 2022: (Can Implant Design Influence Loading Protocol?) – Aeedc 2022, Dubai, UAE
- February 2022: (Nerve Transpositioning Technique) at International Dental Congress – Dahab – Egypt
- March 2022: Live Webinar for 2 Days (Your Journey to the Higher Education in Oral Implantology) - Nerve Transpositioning Technique Lecture – Joint with Future Health Training Center, Saudi Arabia
- April 2022: Modern Sinus Lifting Techniques, Nerve Transpositioning Technique – Clinical Implantology from A to Z at Seattle, WA. USA
- April 2022: Live Webinar (Introduction Lecture about American Contemporary Oral Implantology Program (ACOIP) and International Board of Oral Implantology (IBOI) - Joint with Sudan Medical Specialization Board, Sudan
- June 2022: (Modern Updates Different Techniques in Sinus Lifting Procedures to solve problems in severely Atrophied Maxilla) – at 8th International YUDSA Congress, Istanbul – Turkey
- June 2022: Modern Sinus Lifting Techniques, Nerve Transpositioning Technique, Bone Splitting and Simultaneous Implant placement – Khobar, Saudi Arabia
- Sep 2022 – “Ridge Split Technique Prior to Implant Placement “– SGS Dental – Tbilisi - Georgia

- Sep 2022 – “The Influence of Micromotion and Macromotion in Implant Dentistry” – Lausanne, Switzerland
- Nov 2022 – “Management of Severely Atrophied Mandible, a Multidisciplinary approach” – 22<sup>nd</sup> Alexandria International Dental Congress 2022 – Alexandria - Egypt

## 2023

- Feb 2023 – 1<sup>st</sup> Lybian Implant Swiss Symposium – Benghazi, Lybia
- Feb 2023 – Acteon Middle East Implantology Workflow Lecture and Hands-on – Aeedc 2023 – Dubai. UAE
- March 2023 – “Sinus Lifting Indication and Contraindication, Internal and External” – 7<sup>th</sup> Kuwait Dental Administration Conference and Exhibition - Kuwait
- June 2023 – A speaker 9<sup>th</sup> international YUDSA Congress – Istanbul, Turkey
- Sep 2023 – “Immediate Loading Protocols “. IDEX 2023 International Dental Expo & Clinical Congress – Tripoli, Lybia
- Dec 2023- “Comprehensive Board Review Module” – Benghazi, Lybia
- Dec 2023 – “One-stage Implantation and Immediate Loading, Indications and Contraindications” – Schutz Dental – St. Petersburg, Russia

## 2024

- January 2024- “Comprehensive Board Review Module” – Implant Genesis National Symposium - Kerala, India
- January 2024 – “Implant Complications & Per – Implantitis” – Aeedc 2024 - Dubai, UAE
- March 2024 – “Basic Surgical Procedures of Dental Implants in the Daily Practice – Part I” – Mississauga, Canada
- April 2024 – “Advanced Surgical Procedures of Dental Implants in the Daily Practice – Part II” – Mississauga, Canada
- April 2024 – “The way to success with IMPLA and Digital Dentistry Technologies” – Skopje, Macedonia
- May 2024 – One Day Implant Training – Dentakay Dental Center – Riyadh, Saudi Arabia
